INSPIRATION HONOREE

MARK R. BAKER

President and CEO of AOPA

BENEFITING

Proceeds from the Endeavor Awards Gala benefit Angel Flight West and our partners in charitable aviation.

Angel Flight
WEST

The 11th Endeavor Awards Gala
is about recognizing heroes who fly for volunteer pilot organizations across the country, providing hope to people experiencing some of the most challenging health concerns of their lives and serving those in need.

RECOGNIZING HEROES

The Endeavor Awards Gala is about recognizing heroes who fly for volunteer pilot organizations across the country, providing hope to people experiencing some of the most challenging health concerns of their lives and serving those in need.

The Endeavor Awards will feature a reception, a sumptuous dinner, and an incredible program with inspirational stories of successes and amazing volunteerism. The evening will culminate in a live auction.

The support raised will continue to empower people from underrepresented places and difficult situations with access to health care. Together with our partners and sponsors, we strive to provide them with connection, compassion, and the flight resources to give hope where there was nowhere else to turn.

YOUR GIFT MATTERS

Your donation is vital to supporting staff costs, technology, marketing and outreach, and infrastructure to help AFW propel our mission forward. Each flight is a product of the donated time and resources from our generous volunteer pilots and the coordination efforts from our team.

We connect to healthcare and social work professionals and patient groups to let them know about our services by conducting in-service presentations, offering free webinars, exhibiting at healthcare conferences, advertising on social media, and creating digital partnerships with healthcare facilities.

We take part in aviation events, host fly-ins and online webinars, advertise on digital platforms, and work with local media and aviation organizations. Our volunteer services team guides new volunteers through orientation while focusing on volunteer recruitment and retention.

Our coordinators answer every inquiry and arrange every flight, including the 900+ commercial flights donated annually by Alaska Airlines and our airline partners. They are fluent in multiple “languages” – health care, aviation, and technology (as well as English and Spanish).

Our team of grant writers, event planners, and fundraisers connect with our supporters, stewarding their gifts to ensure each one makes a life-changing difference to our passengers. They share stories and build relationships with those whose contributions make our programs possible.
