HONORING HEROES

The Endeavor Awards® benefit gala celebrates and honors our community members and volunteer pilots, recognizing their extraordinary contributions while providing vital support to the organizations that facilitate their charitable flights for those in need. Each year, we spotlight heroes who bring hope to individuals facing some of the most challenging health concerns of their lives.

The funds raised will empower people from underrepresented communities and difficult circumstances by ensuring access to essential healthcare. Together with our partners and sponsors, we are dedicated to offering connection, compassion, and the flight resources needed to inspire hope when it seems out of reach.

YOUR GIFT MATTERS

Your donation is vital to supporting staff costs, technology, marketing and outreach, and infrastructure to help AFW propel our mission forward. Each flight is made possible by the generous donation of time and resources from our volunteer pilots, along with the dedicated coordination efforts of our team.
